Education of Children in Care Policy

Nationally, children in care significantly underachieve and are at greater risk of exclusion and of becoming NEET compared with their peers. Schools have a major part to play in ensuring that children in care are enabled to be healthy, stay safe, enjoy, achieve, make a positive contribution to society and achieve economic well-being.

Helping children in care to succeed and providing a better future for them is a key priority for Kent County Council and Kent schools. This policy takes account of:

- The County Council's duty under Section 52 of the Children Act 2004 to promote the educational achievement of Looked After Children (LAC).

- Promoting the Education of Looked After Children and Previously Looked After Children: Statutory guidance for local authorities (DfE February 2018)

- The Designated Teacher For Looked After and Previously Looked-After Children (DfE February 2018) <https://www.gov.uk/government/publications/designated-teacher-for-looked-after-children>
- The Education (Admission of Looked After Children) (England) Regulations 2006.

Hampton Primary School's approach to supporting the educational achievement of Children in Care is based on the following principles:

- Prioritising education.
- Promoting attendance.
- Targeting support.
- Having high expectations.
- Promoting inclusion through challenging and changing attitudes.
- Achieving stability and continuity.
- Early intervention and priority action.
- Listening to children.
- Promoting health and wellbeing.
- Reducing exclusions and promoting stability.
- Working in partnership with carers, social workers and other professionals.

Implications

As for all our pupils, Hampton Primary School is committed to helping every Child in Care to achieve the highest standards they can, including supporting aspirations to achieve in further and higher education. This can be measured by improvement in their achievements and attendance.

The Governing Body of Hampton Primary School is committed to providing quality education for all pupils and will:

- Ensure Children in Care are prioritised in the school's oversubscription criteria, in line with the Education (Admission of Looked After Children) (England) Regulations 2006. (These require admissions authorities to give top priority for admission to CIC in their oversubscription criteria.)
- Ensure a Designated Teacher for Children in Care is identified and enabled to carry out the responsibilities set out below
- Ensure a Personal Education Plan is put in place, implemented and regularly reviewed every 6 months for every Child in Care, in line with Kent's guidance on Personal Education Plans.
- Identify a governor as Designated Governor for Children in Care.

This policy links with a number of other school policies and it is important that Governors have regard to the needs of Children in care when reviewing them:

- Admissions Policy
- The School Code of Conduct.
- Relationship and Positive Behaviour Policy.
- Home School Agreement.
- Anti-bullying Policy.
- Single Equality Scheme and Accessibility Policy
- Safeguarding Policy.
- Special Educational Needs and Disabilities Policy

The school will champion the needs of Children in Care, raise awareness and challenge negative stereotypes about them, in order to ensure that they achieve to the highest level possible.

- Report on the progress, attendance and conduct of Children in Care. OFSTED now select a number of Children in Care, tracking their results and the support they have received.

- Ensure that the school has a Designated Teacher, and that the Designated Teacher is enabled to carry out his or her responsibilities as below.
- Support the Head teacher, the Designated Teacher and other staff in ensuring that the needs of Children in Care are recognised and met.
- Receive a report once a year setting out:

5. The destinations of pupils who leave the school.
6. The information for this report should be collected and reported in ways that preserve the anonymity and respect the confidentiality of the pupils concerned.

THE ROLE OF THE DESIGNATED TEACHER

Government Guidance says that the Designated Teacher should be “someone with sufficient authority to make things happen, the DT should be an advocate for Children in Care, assessing services and support, and ensuring that the school shares and supports high expectations for them.”

Governors should be aware that all schools are already required to have a Designated Teacher for Children in Care. It is strongly recommended that this person should be a member of the Senior Management Team. Training for Designated Teachers has been and will continue to be available through the Virtual School Kent (VSK). Governors should also be aware that OFSTED will focus on Children in Care, monitoring how the School has promoted their inclusion and attainment and the effectiveness of joint working with other services involved with them.

Our Designated Teacher at Hampton will:

- Ensure a welcome and smooth induction for the Child in Care and their carer, using the Personal Education Plan to plan for that transition in consultation with the child’s social worker and Virtual School.
- Ensure that a Personal Education Plan (PEP) is completed with the child in care or an Education Plan for Previously Looked After Children (EPPLAC) is completed with the child who is previously looked after along with the social worker, the foster carer/adoptive parents and any other relevant people.
- Ensure that each Child in Care has an identified member of staff that they can talk to. This need not be the Designated Teacher, but should be based on the child’s own wishes. *Members of staff who take on this role may need to be supported by someone from the school’s pastoral staff. They should also be alert to any child protection issues, any disclosures that pupils may make, and know what action to take. They should link closely therefore with the school’s Designated Safeguarding Lead.*
- Track academic progress and target support appropriately
- Liaise with the school SENDCo if necessary to ensure that each Child in Care has their needs fully met as far as possible.
- Co-ordinate any support for the child in care that is necessary within school.
- Ensure confidentiality for individual pupils, sharing personal information on a need to know basis.
- Encourage children in care to join in extra-curricular activities and out of school learning.
- Ensure, as far as possible, attendance at planning and review meetings.
- Act as an advisor to staff and Governors, raising their awareness of the needs of Children in Care.
- Set up timely meetings with relevant parties where the pupil is experiencing difficulties in school or is at risk of exclusion.
- Ensure the speedy transfer of information between individuals, agencies and – if the pupil changes school – to a new school.
- Be proactive in supporting transition and planning when moving to a new phase in education.
- Track academic progress and target support appropriately.

- Promote inclusion in all areas of school life.
- Be aware that a high number Children in Care say they are bullied, so will actively monitor and prevent bullying in school by raising awareness through the school's anti-bullying policy.
- Ensure that attendance of each child in care on the school roll is reported to Welfare call each day.
