

OPAL Fundraising Event 2024

On Friday 22nd November, we will be hosting a fundraising event for OPAL play. There is no better way to raise money for our outdoor play than to get our children outside for a fun run.

Will our children be able to dodge water pistols, crawl under cargo nets, climb our apparatus and run between sections of the course? Will they get wet and muddy? Definitely! Will they need a change of clothing? Absolutely! It's all about fun and the children will love it.

We are asking for a £1 donation for your child to join the fun run and are encouraging your children to ask their family and friends to sponsor them also. Please can the children bring in their £1 on Friday 22nd November. If they then complete the fun run, they will have 1 week to collect their sponsor money which will be due in by Friday 29th November.

Sponsor forms will be given to the children today. There will be a prize for the child who collects the most sponsor money. Exciting! Please can you make sure that your child is equipped for any weather as the fun run will still go ahead, even if it is raining.

Already, our children are enjoying many activities outside and this change has had a positive impact on our children. But we want to make it even better and need your help.

Thank you for your continuing support.

Kind regards

Mr Greenstock
