

15th June 2026

Dear Parents and Carers

With Sports Week and our family picnics fast approaching, I wanted to send a few reminders to help ensure everyone has a safe and enjoyable week.

The children have been busy practising their events during their PE lessons and are looking forward to showcasing their skills, resilience and teamwork. Rumour also has it that teachers and support staff may have been secretly practising for the much-anticipated staff race, and I have no doubt this will bring lots of laughter!

We are keeping our fingers crossed for sunny weather, so please ensure your child comes to school each day with a named water bottle and sun hat or cap, and that sunscreen is applied before school.

I know that many families enjoy taking photographs and videos during Sports Week events and picnics to capture special memories. As always, I ask that any photographs or videos taken are for personal use and family keepsakes only and are not shared on social media or other online platforms if they include children other than your own.

To help make photo preferences more visible this year, children who should not appear in photographs or videos will be wearing both a sticker and a green wristband. I hope this additional measure will help families who wish to take photographs whilst also providing reassurance and peace of mind to parents and carers whose children should not appear on social media, whether for personal preference or safeguarding reasons. Thank you for your understanding and support in helping us respect the wishes and privacy of all families within our school community.

We are looking forward to a fantastic Sports Week filled with fun, teamwork, friendly competition and lots of memorable moments. It will also be a special week as we celebrate and thank our Year 6 Sports Crew, as this will be their final Sports Week at Hampton before they embark on their next adventure in secondary school. They have been wonderful role models throughout the year and I know they will do an excellent job helping to make the week a success. ❤️

Yours sincerely

Ms Y Nunn
Headteacher
