HAMPTON PRIMARY SCHOOL

CHRISTMAS DINNER

Wednesday 9th December 2026

A special meal for our amazing pupils! ♥

Good Food Happier Learners ♥

Once again, this most special meal will be available to all our full-time pupils, whether or not they normally have a school lunch. However, to help with planning, all children will need to book separately even if they normally have a school dinner, are entitled to free school meals or choose to bring a packed lunch. As there is always a huge uptake, and to ensure sufficient stocks, please make payment and complete the order form using the link below no later than

Friday, 27th November

The cost will be £2.70 per child (£2.10 for Little Hedgehogs).

Please use the link below to confirm your child's meal arrangements, where there will also be an option to add allergies. You can also find the link under latest news on our website.
