

10<sup>th</sup> September 2025

Dear Parents and Carers

A very warm welcome back to a new school year and an especially heartfelt welcome to the new families and youngest children in Foundation Stage who are joining our Hampton family. I hope you enjoyed a restful summer break and made some special memories with friends and loved ones. It has been wonderful to see so many happy and eager children running through the school gates—their energy brings Hampton back to life after the long summer holiday!

I would like to start by saying a huge thank you to all our staff who have been working incredibly hard to prepare for an exciting year ahead. Together we look forward to a year full of exciting learning, new experiences and the building of lasting friendships. A special mention also goes to Mr Davies and Mr Morris, who worked hard over the summer painting the hall and corridors so that Hampton feels fresh and ready to welcome everyone back.

As you may be aware, schools are continuing to face significant financial pressures and substantial budget cuts from the Local Authority. This remains a serious concern for headteachers as we continue to try to support and meet the diversity of needs in our families. Despite these challenges, I want to reassure you that Hampton remains committed to being a place of inclusion and belonging. We will continue to create opportunities for every child to feel valued, to experience success and to be proud of who they are.

Our core values of kindness, resilience, reflection and aspiration are at the heart of everything we do. These qualities not only support our children in their learning but also help them to grow into happy, confident and compassionate young people. By nurturing kindness and empathy, we empower our children to see, understand and support others. With these values at the centre of our school, we are building not only a positive and safe environment, but also valuable life skills that will contribute to a happier and ultimately kinder world for our children to live in!

Our offer of support is not exclusive to your child. We know that life and parenting can be really challenging at times, so please remember that we are here for you too. If you ever find yourself in difficulty, please come in and speak with us—our greatest strength lies in how strong we are as a community.

Kindest regards

Ms Nunn  
Headteacher
